DESCRIPTION	IMPORTANT
Chromatic Printing prices are based on the following*: •Client must provide design per Chromatic specifications. •One final printed copy of design for approval, followed by the correction of any possible typographical errors, and color adjustments after revision. •All pre-press along with film negatives for press. •There is a minimum of approx. 3-4 full working days for actual printing, coating and cutting after design approval & sign-off.	*1) Each order placed requires a 100% deposit of the total price. 2) The delivery of final printed material can be arranged at an additional cost. 3) The exact color cannot be guaranteed unless a press-match or color key is provided or purchased from Chromatic. 4) Actual final cut size may vary slightly due to bleeds & cut set-up. 5) The Chromatic logo and telephone number must go on all orders (excluding Business Cards).
